

CODY CARR'S HUNTING ADVENTURES, L.L.C.

www.HuntWithCody.com

Hello from Montana! First off I want to thank all of the clients, for without you we would not be able to do what we love. I also want to thank all of the guides for their hard work scouting and time spent away from their families to insure a great season. The guides, cooks and my family are the heart of this operation without them none of this would be possible. We had a great 2013 bear season, we harvested some big color phase black bears. Think of a spring bear hunt for your next hunting trip. Over the summer we also scouted more than we ever had, it was very rewarding for the fall hunting season. This was the second season with our new lodge which allowed us to spread out to the far end of our hunting area. Throughout archery season we called in a lot of enormous bulls. When you go out with a bow & arrow and you have bulls right in your face, what a rush! Both archery and rifle seasons we had horrible weather to hunt in, but the hard scouting paid off. This year was the year to hunt mountain lions, as we harvested some monster toms. This was the first time ever drawing a moose tag for both myself and KoLiss. We harvested some B&C Shiras moose. Please remember to apply for special moose, mountain goat, sheep and lion permits. We work equally hard during the hunts and in the off season to ensure the quality of your trip. Please contact us as soon as possible to book your hunt as we are filling up fast. Also remember your hunt is not booked until we receive your deposit. Thank you for choosing us!

Best of 2013 Harvest

Bear, MI - Adrenaline was pumping for Bear as this monster tom made his last stand in a cave fighting the hounds. Bear finished him off at point blank range.
12/11/2013

Alan, WA - Alan, with the help of guide Kasey, found this brute of a mule deer. Mass and trash, this buck has it all.

Luke, PA - Packing out his bull with a beautiful sunset.

Scott, PA - Hunted hard to harvest this colossal bull!

John, SD - Hunted hard to kill this nice 6x6 bull elk.

David, MN - Dave is part of Wildlife Pursuits TV show and man did they hunt hard to harvest David's first bull elk. Rough and rainy weather wouldn't hold them back to get the job done. Great job David!

David, MD - Took home this nice Montana muley!

Rene, MD - Harvested this nice 5x6 elk.

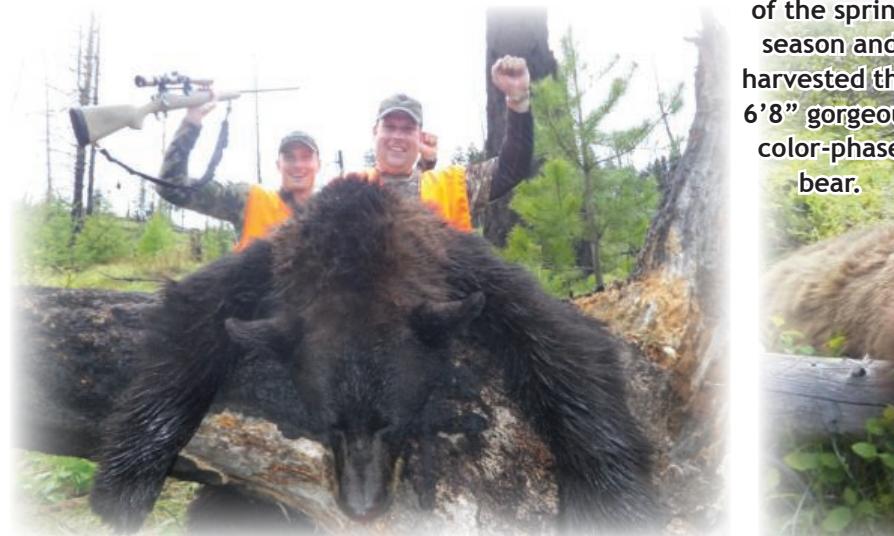

Luke, PA - Luke took down this old Monarch of a bull and harvested this beautiful mountain whitetail.

Rob, SD - Rob had the best personality of the season and happily shot this nice mule deer buck.

Austin, IN - The Seale Family brought Austin and harvested this beautiful bear on a hunt to remember.

Casey & Walt, NC-VA - Brought down this tri-phased colored black bear. They were a hoot to guide!

Jon, CA - Came out and smoked this nice black bear with white chest.

Rich (guide) - Took some time off at the end of the spring season and harvested this 6'8" gorgeous color-phase bear.

Sam, MS - This was the most special hunt we have ever done. Sam was a recipient of a "Catch a Dream Hunt" as he is a cancer survivor. Sam and his family only had 2 1/2 days to defy the odds of fulfilling his dream and harvesting a bear and boy did he! The whole town came out to help and enjoy the experience.

Michael & Wayne, UT - These brothers came up to Montana and did it right by harvesting these two nice bears.

Tom, NY - Tom dropped this non-typical mule deer off a sweet vantage point.

Brian, GA - Brian Harvested this amazing color-phased bear. This bear was big and had the right color. What a bear!

Cody - Was able to take this 6'7" chocolate with a white 'v' on his chest at the end of the season.

Jeff, PA - I am going to give Jeff the name of "THE GIANT KILLER". This man has brought down so many big bruins with us. Jeff actually had to sleep out on the mountain as the creek raised so high him and the guide had to zip line across the next day. He also harvested this nice male mountain lion.

KoLiss & Cody - Defied the odds by first drawing two moose tags in one year and both harvesting Boone and Crockett Shiras Moose back to back.

KoLiss - Finished off her season by harvesting an awesome lion and what a rush it was. She had to finish it off in a beaver pond. Exciting stuff!!

KoLiss - Koliss went all on her own to smoke this nice black bear.

Gary & Rich, NY-SC - Harvested some nice whitetails on a hunt to honor their father.

Jerod, MT - Jerod waited all season to finally harvest this giant tom. He harvested this awesome P & Y Tom late in March.

Jeff, NE - Harvested this amazing tom in marginal conditions. We enjoyed Jeff in Camp, he was a lot of fun!

John, PA - Tagged out on a 5x6 whitetail and a 5x5 bull on his first Montana Archery hunt. Nice shooting John!

Billy, PA - Billy tried his luck on a lion hunt and they treed two lions in one tree. He picked out the tom and let him have it!

Ed, MN - Hunted hard in horrible snow conditions. Finally the last day we got snow and a nice lion. Great Job, Ed!!

Ray, PA - Ray did it again and harvested this huge tom. The last hunt with us, him and his son shot a 5x5 bull and a huge 6x7 bull!

What a nice non- typical Montana mule deer this client shot.

Dave, OH - Came out with the flu, sleep deprivation, and harvested this awesome tom on the first morning. Way to pull through Dave. Dave harvested a huge bear on a spring hunt the year before.

Rich, UT - Was able to hunt with our guide Richard and take this nice Montana Bull.

Charles, MN - Arrowed this nice mule deer buck.

Harold, PA - Harold is like family and has been hunting with us for a long time. He lost his hands to a farming accident, but that didn't stop him from taking his best whitetail yet.
