# Best of 2008

All animals in this harvest report were harvested in the 2008 hunting season.

Rob Worrells, Beaver, WV - Rob has what it takes to hunt hard. We had pre-scouted this bull all year to finally harvest him in rifle season. Rob tagged out on a buck and bull!

Tim Meyers, York Springs, PA - Tim harvested this 6X6 mule deer buck just after his partner downed a nice 5X6 bull.

Koliss, Jocelyn, Jaelyn, Cody

Bob Glen, Elicott City, MD - Bob shot this magnificent color phase black bear on a spring bear hunt.

Tim Babb, Borwick, PA - Tim had a tragic accident and lost his leg this summer before his hunt. With a lot of scouting and preparation we were able to harvest an amazing 7X7 bull. We are so pleased God gave us this opportunity to share this amazing story with Tim.

# CODY CARR'S HUNTING ADVENTURES, L.L.C.

Hello from Montana! This year was an exceptional year for us. Although we had a lot of missed shots and some challenges along the way it was a great season. At the beginning of the year we were able to finish our beautiful new lodge and was also able to harvest an exceptional mountain lion. Spring bear was filled with some huge black and color phase bears. What a fun hunt! Over the summer we scouted more than we ever had, it was very rewarding come fall hunting season. Archery season we got on a lot of enormous bulls. When you go out with a bow & arrow and you have bulls right in your face, what a rush! That season was full of opportunity but a little slower than what we expected harvesting only a handful of bulls. After that we had a little bit more time to scout until rifle season. Wow! What a start to rifle season. We knocked down eight bulls the first week. Rifle season was the best we've had yet. I just want to thank all of the hunters for the great friendships and hunts we shared together. Well, my wife (Koliss) is expecting another girl. We will definitely have our hands full. Happy Holidays and Merry Christmas. Please contact us as soon as possible to book your hunt as we are filling up fast. Also remember your hunt is not booked until we receive your deposit.
