CODY CARR'S HUNTING ADVENTURES, L.L.C.

www.HuntWithCody.com

Hello from Montana! This year was an exceptional year for us. We started out the year with a amazing cat hunt harvesting an absolute monster tom. In the spring of the year we were blessed with Jaycee the newest addition to our family. Jaycee always has a smile on her face. Spring bear season was excellent. Out of the bears we harvested 70% were color-phase bears. This season we harvested three bears that will make the all time Montana book. Think of a spring bear hunt for your next hunting trip. This summer we put a beautiful addition on the lodge. Over the summer we also scouted more than we ever had, it was very rewarding come the fall hunting season. Throughout archery season we called in a lot of enormous bulls. When you go out with a bow & arrow and you have bulls right in your face, what a rush! Our best week this archery season we harvest seven bulls, two deer and two bears all in one week. Rifle season brought challenges with the weather, but as always the time scouting paid off and we harvested some amazing trophies. We work equally hard during the hunts and in the off season to ensure the quality of your trip. Happy Holidays and Merry Christmas. Please contact us as soon as possible to book your hunt as we are filling up fast. Also remember your hunt is not booked until we receive your deposit.
