

CODY CARR'S HUNTING ADVENTURES, L.L.C.

www.HuntWithCody.com

Hello from Montana! First off I want to thank all of the clients, for without you we would not be able to do what we love. I also want to thank all of the guides hard work scouting and time spent away from their families to insure a great season. The guides, cook and my family are the heart of this operation without them as well none of this would be possible. Well, this year started out with an amazing spring bear season. Out of all of the bears we harvested, 75% were color-phase bears. We harvested three bears that were blonde. The largest bear harvested was 6 foot 11 inches! Think of a spring bear hunt for your next hunting trip. This summer we put a beautiful addition on the lodge. Over the summer we also scouted more than we ever had, it was very rewarding for the fall hunting season. Throughout archery season we called in a lot of enormous bulls. When you go out with a bow & arrow and you have bulls right in your face, what a rush! The rut was a little later last year for the elk which was awesome for the rifle hunters. Rifle season we harvested some amazing trophies as well. Our biggest bull was a whopping 355 7/8. During lion season we also harvested some big cats. We work equally hard during the hunts and in the off season to ensure the quality of your trip. Happy Holidays and Merry Christmas. Please contact us as soon as possible to book your hunt as we are filling up fast. Also remember your hunt is not booked until we receive your deposit.
